ABOUT ME

Motivated UX/UI Designer with expertise in user research, wireframes, prototypes, and cross-functional collaboration. Passionate about delivering seamless, user-centric experiences for web and mobile applications.

WORK EXPERIENCE

09/2024 – CURRENT online

UI/UX DESIGNER TECHYJAUNT

- - Conduct user research to understand target audiences, gather insights, and define user needs and pain points.
- - Create wireframes, prototypes, and user interface designs for web and mobile applications, ensuring they are user-friendly and visually appealing.
- - Collaborate with cross-functional teams, including developers, product managers, and stakeholders, to align designs with project goals and technical constraints.
- - Design and maintain a consistent visual language, adhering to brand guidelines and ensuring a cohesive user experience across platforms.
- - Perform usability testing on prototypes or existing products, collecting feedback to refine and improve the user experience.
- - Develop user personas, user flows, and journey maps to visualize the user experience and guide design decisions.
- - Implement accessibility standards to create inclusive designs that accommodate diverse user needs.
- - Use design tools such as Figma, or Sketch to create high-fidelity mockups and interactive prototypes.
- - Stay updated with the latest UI/UX trends, tools, and best practices to incorporate innovative ideas into projects.
- - Work closely with developers during the implementation phase to ensure the final product aligns with the intended design.

Writing

I narrow my eyes at the giant standing in front of me. I haven't see him before in this our area.
*when i say 'giant', i meant that he is huge, tall and masculine and oh yeah! I'm short but not literally **short**.*

"how can i help you sir? you seem to be obstructing my way" *didn't he know that he is.*

"I'm looking for miss Delilah, do you know where i can find her?" *his husky voice rang*

"I'm Delilah, any problem?" *smirking*

"oh yes! you're under arrest for the...."
